Dedication

To you, our sponsors, teachers, and friends, we the Class of 1985 are proud to dedicate this yearbook to you as a way of showing our thanks and appreciation for the help, guidance, support, and love which you have given us throughout the years. You have been more to us than just teachers and advisors, you have become part of our lives and a part of us. Your caring ways and loving thoughts shall never be forgotten. Mr. Crews, Mr. Mitchell, Mr. Chandler, Mr. Woody, and Mrs. Dyer, we can only hope that this dedication may show a part of just how we feel toward you and always will. With your help we have reached one of our major goals, and we have the courage to strive for the next. Thank you and love always from the graduating class of 1985.

As our school days here at Scotts Hill are nearly at an end, we often pause to reflect on all we've been through. There have been good times and bad times, but through them all we've grown and learned. Each day brought us something new, as each day always will. We may not have many more days left as students here, but we will always have fond memories of our school and the special family we belong to at Scotts Hills. As we leave here to follow our dreams, no matter what they may be, we wish for everyone the best in life and all the happiness to be found in it.
